

# Twose Twin Rotary Rake

- 7.24 to 8.3m working width
- Tandem walking axles
- Towed headstock with rear wheel steering
- 540 PTO slip clutch protection
- Hydraulic folding
- Y-shaped drive allows more manoeuvrability
- Road lighting kit
- Robust construction

Transport Position

RR850/26

Machine Type	Twin Rotary Rake
Working Width (m/ft)	7.24-8.3m
Tractor hp	60
Weight (kg)	1900kg
Attachment	CAT II
Transport Width (m)	2.99m
PTO Running Speed (rpm)	540
Number of Rotors	2
Rotor Diameter (m)	3.55
Double tines per rotor	13
Rotor angle adjustment	TBA
